RE: **Response to Bidders' Questions No. 4, 5, and 6**

Ladies and Gentlemen:

The following are the responses to questions submitted by prospective bidders and designated as Bid Questions No.4, 5 and 6:

**BID QUESTION No. 4:**

Please provide the engineer estimates for the above referenced project bidding on 01/12/2016.

**RESPONSE:**

The total construction budget for Physical Suicide Deterrent System project is \$76 million dollars which includes all construction and construction administration costs, including engineering support, environmental monitoring and CHP lane closure services.

The total construction budget for Wind Retrofit project is \$8 million dollars which includes all construction and construction administration costs, including engineering support, environmental monitoring and CHP lane closure service.

**BID QUESTION No. 5:**

Based on the language in the "Notice to Contractors" it appears the **Mandatory Pre-Bid Conference** and the **Mandatory Job Walkthrough** occur on separate dates. Is this correct? If not, what is the date and time of the **Mandatory Job Walkthrough**?

**RESPONSE:**

Yes, these are on separate dates. The Mandatory Pre-Bid Conference is scheduled for December 9, 2015. In accordance with Special Provisions Section 2-1.30C, the **Mandatory Job Walkthrough** will be held every Tuesday morning commencing at 10:00am. We expect the first walkthrough will occur about December 1, depending on requests from potential bidders.

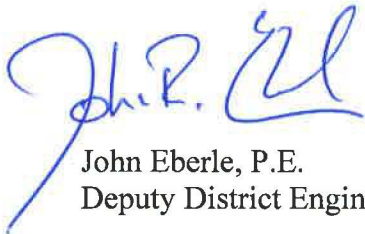

**BID QUESTION No. 6:**

Do individuals only have to submit their IDs to have access to the **Mandatory Job Walkthrough**? Or does each individual have to be "approved" to have access to the **Mandatory Job Walkthrough**? If the District's "approval" is required prior to access for the job walk, what is the minimum time to get an individual approved?

**RESPONSE:**

Each person attending the Mandatory Job Walkthrough must be on the list of individuals identified as authorized personnel in a bidder's Exhibit A to the Non-Disclosure Agreement for Release of Security Sensitive Information for Bidding Purposes and must be approved to access the Security Sensitive Information by the District's written notification indicated on Exhibit A. The screening and approval may take up to 2 weeks.

Sincerely,

John Eberle, P.E.  
Deputy District Engineer
