

To All of Our Valued Route 76 Customers:

We are pleased to announce that we have made significant progress in resolving Route 76 alignment issues. Unfortunately, we will not have a long-term solution in place before next week, so we will be implementing our current plan of moving temporarily to the Petaluma Fairgrounds park-and-ride. There's plenty of free parking there.

Here's where we are in the process:

- Golden Gate Transit, along with the City of Petaluma, is assessing other route alternatives in the southeastern part of Petaluma. However, we want your input so will soon be distributing a survey to determine where current customers live in relation to where they board the bus.
- The City of Petaluma will temporarily provide a free shuttle on the portion of the route 76 not operating between S. McDowell and Mc Neil and the Lakeville park-and-ride lot, over to the Fairgrounds park-and-ride. The shuttle will be operated by a Petaluma Transit bus and the times are shown on reverse side.

We apologize for the confusion and inconvenience surrounding these changes, but we believe we are reaching a long-term solution. We thank you for your patience.
